Our Story

CRAFTING THE FUTURE OF PACKAGING

Maruti Pet Pack Industry manufactures food-grade packaging in PET, PP, and paper for businesses across food, beverage, hospitality, retail, and FMCG. Our range runs from clear containers and beverage glasses to meal trays, sweet boxes, and paper cups, built to keep products fresh and present them well.

With a strong presence across India and a growing reach beyond it, we work with each customer to get the size, format, and quality right for their product.

Our Mission

To make packaging that presents products well, keeps them safe, and supports sustainability, held to a consistent standard on every order.

Our Vision

To grow into a leading name in packaging by developing more sustainable products, investing in better technology, and giving our clients packaging that adds value to their brand.

Certified By:

Our manufacturing is certified to international food-safety standards.

Maruti Pet Pack Industry holds ISO 22000:2018 and GMP certification from Indian Register Quality Systems (IRQS), covering the production and dispatch of PET and PP food packaging.
